

# CURRICULUM VITAE

**Name** GEORGE C. SAKELLAROPOULOS  
**Date of birth** January 9, 1971  
**Place of birth** Thessaloniki, Hellas  
**Postal address** Medical Physics Dept., School of Medicine, University of Patras, GR-265 04, Rion, Greece  
**Telephone number** +30 2610969113  
**e-mail** gsak@upatras.gr

## **Education**

**1993** Diploma in Physics, Department of Physics, University of Athens, Hellas.  
**1995** M.Sc. in Medical Physics, School of Medicine, University of Patras, Hellas.  
**2001** Ph.D. in Medical Physics, School of Medicine, University of Patras, Hellas.  
**2006** M.Sc. in Health Care Management, Hellenic Open University.

## **Present Position (2024)**

Professor of Medical Physics-Medical Informatics  
Member of the Research Committee, University of Patras, Greece  
Head, Dept. of Medical Physics, School of Medicine, University of Patras, Greece  
Director of Studies, MSc Medical Physics – Radiation Physics

## **Research activity**

- Participation in more than 100 full publications in international peer-reviewed journals, 5 book chapters
- Research interests: Medical Physics, Medical Informatics, Machine learning, Biomedical databases and decision support systems, Knowledge representation and Statistical learning, Biostatistics, Health information systems
- Research collaborations with University Clinics of Internal Medicine, Neurology, Psychiatry, Surgery, Urology, Neurosurgery, Laboratories of Anatomy, Pharmacology, Pathology, Radiology

## **Teaching Experience**

- School of Medicine: "Medical Physics", "Biostatistics", "Medical Informatics", Department of Physics: "Medical Physics".
- Postgraduate course in (a) Medical Physics-Radiation Physics: "Biostatistics", "Medical Informatics", (b) Biomedical Sciences: "Applications of Biostatistics - Bioinformatics", (c) Life Sciences Informatics: "Introduction to the Design, Implementation and Retrieval of Information from Biomedical Databases", (d) Public Health: "Introduction to Biostatistics"

## **Professional Licenses - Certifications**

- Medical Physics Expert (2021)
- License to practice the profession of "Hospital Physicist - Medical Radiation Physicist" (2012)

## **Languages**

English, Greek
